On your side

“I have worked with Helen for many years and her team at Seddons have been instrumental in supporting the HR directorate at Addaction with advice that as you would expect, is legally compliant but also immensely practical. Helen has a real grasp of our organisation’s culture and the context in which decisions are taken. Her advice has enabled us to successfully resolve complex ER issues without recourse to tribunal and has saved us significantly both in financial terms but also in staff time. She is used extensively by the HR team to support their decision making and she is now simply part of the team, in a way that we couldn’t imagine how we managed without her.”

— Guy Pink, Former CEO and Executive Head of HR, Addaction

“I have worked with Helen for a number of years and have consistently enjoyed exemplary service from everyone in the employment team at Seddons. Helen always responds quickly to my queries and provides excellent advice with simple and practical solutions. I have complete confidence in Helen; I am constantly impressed by her efficiency, attention to detail and quality of work. Helen and the team are a pleasure to work with, providing outstanding support and I look forward to continuing working together in the future.”

— Lisa Mack, Head of People, Tate Enterprises and Tate Catering

“We found ourselves in a very awkward HR situation. Helen stepped in immediately with very clear and robust advice. She was meticulous throughout the process drafting complex letters with great care and thought. On top of that Helen was very supportive of us through what was a difficult situation for us personally and business wise.”
